

IRFAN
TECHNICAL RIDER

Contact

All technical questions can be directed to Peter Todorov. If there are any questions, please get in touch with us: irfantheband@yahoo.com

Sound engineer

Irfan travels with its own sound engineer who is going to take care of the FOH for the band during the sound check/line check and the performance. Nevertheless presence of a festival/venue sound engineer is advisable in case of any technical questions in relation to the available PA and system set up.

Mixer:

Irfan will bring its own mixer (Behringer xAir XR 18) that will be positioned directly on stage. Two channels (left and right) should be provided for linking the Irfan's mixer to the festival/venue mixer and PA. A separate channel for playing audio intro and outro before and after the gig should also be provided. We also need a microphone from the main mixer to be linked to our mixer - this will be used for communication between Irfan's sound engineer and the musicians on stage. This can be done easier if you can provide a wireless microphone system, which will be connected directly to our mixer.

Active DI

Two (2) pieces

Microphones

Shure SM 57 (or similar) – 2 pieces;

Chairs

Chairs **without armrests** – 5 pieces. Please, make sure the chairs are with no armrests, otherwise they will not be of any use for the band.

Stage risers (relevant only if the size of the stage allows it)

Stage risers **(the fronts covered by black textile, reaching the floor)** – 2 by 3 meters/ 50 cm height (the size may vary according to the stage dimensions) – 2 pieces

Tables

Table/stand: 70 cm(height)/40cm/40cm or similar size - 2 piece covered by black textile;

Table/stand: 50cm(height)/50cm/50cm or similar size, suitable for placing a lap top - 2 piece covered by black textile;

Microphone stands

Microphone stands - 6 pieces;

Power outlets

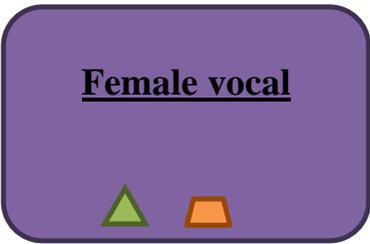

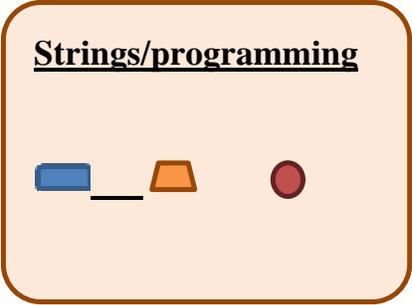

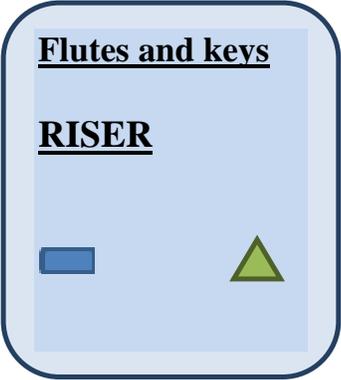

Power outlets suitable for European-style connectors – 5 pieces, each outlet with minimum of 4 sockets without caps

Cables - sufficient number to accommodate the stage plan;

Dressing room/Backstage

Irfan needs a dressing room/backstage with sufficient place for 6 person

Position on Stage

Audience

Legend:

-  Wireless in-ear monitoring system;
-  Power outlet;
-  Headphone preamp;
-  Table;
